

Prague Spring Symposium 2018

Centre of Medical Genetics and Reproductive Medicine [GENNET](#) is delighted to announce that **The Prague Spring Symposium 2018** will be held **in Prague on 27th & 28th April**.

As in previous years Symposium 2018 will cover current medical genetics and reproductive medicine topics. Symposium consists of two half day meetings (Friday the 27th afternoon and Saturday 28th morning) and a traditional party on Friday evening.

Venue:

[Národní zemědělské muzeum / National Museum of Agriculture](#)

Kostelní 1300/44
170 00 Prague 7

Registration will be open at the beginning of 2018 on the web site www.slg.cz

We look forward to welcome you in Spring Prague for traditional and informal meeting.

Organization committee:

David Stejskal, Monika Koudová, Lenka Dvořáková
Lenka.dvorakova@gennet.cz
